## WINDOW TO THE WORLD OF MOBILITY

Join a stream newsflash, analysing and reflecting sectoral mobility trends from America, Asia and Europe. What are the risks and opportunities?

*Disruptive technologies as robotics and sharing platforms are significantly changing the landscape of the transportation sector and people's mind-set*

- Walter Koren | Austrian Trade Commissioner in the USA

*Covid-19 and e-mobility are on the verge of disrupting the base of the existing automotive industry and global supply chains*

- Christina Schösser | Austrian Trade Commissioner in China

*Within its Green Deal, Europe has set itself the urgent goal of re-designing traditional transport systems and aims at becoming the first climate neutral continent*

- Christian Schierer | Austrian Trade Commissioner in France

10.20 – 11.30
